

Helping your Tribute grow:

Once you have set up your **Farleigh Everlasting Tribute** there are many ways you can help it grow. Any money raised in memory of your loved one can be added to the fund at any time, keeping it in one central place.

- Donations in lieu of flowers and personal messages can be made by family and friends directly to your Everlasting Tribute and you may choose to put the URL link address on the order of service.
- Any cash or cheque donations from the funeral along with those from the Funeral Director can be added to the Tribute later as an offline donation.
- Everyone can donate to the fund on special occasions such as birthdays, anniversaries or other occasions important to them.
- Over time you may wish to organise or participate in an event in memory of your loved one e.g. hold an afternoon tea, run a marathon, go trekking to a distant land or even jump out of a plane to raise sponsorship in memory and add to your Tribute. Alternatively you could participate in a Farleigh Hospice event such as Walk For Life, Cycle For Life or Santa Fun Run individually or as a family group.

We will transform each tribute gift into care and support for anyone affected by life-limiting illness or bereavement across mid Essex, free of charge. For further details please contact the Tribute Team on **01245 457346** or email **tribute@farleighhospice.org**

An Everlasting Tribute

Create your personal tribute in memory of a loved one.

muchloved
The online Tribute charity

A Farleigh everlasting tribute is a unique online place where you, your family and friends can honour and commemorate the life of a special person through words, pictures, videos and by lighting tribute candles.

You can dedicate an individual tribute to celebrate their life in your own personal way, or mark a date that is special and meaningful to them. It allows family, friends and colleagues both near and far to have everlasting involvement.

A Unique Tribute

You can make it personal by using some or all of the following:

- Reading and sharing words of comfort and support
- Allow family and friends to add their favourite stories, precious memories, thoughts or messages of condolence
- Add treasured photos or videos or memorable music
- Light candles
- Enable those who wish to donate in memory
- Donate in lieu of flowers at the funeral
- Set up a beautiful online Remembrance Garden
- Share the tribute with friends via email or social networks
- Share the details of the funeral or remembrance service

You will always have full control over the content of your tribute and you can choose whether to keep it private or select who can view it. However you choose to manage your tribute, whether you use all or just some of the above features, it is your space to make personally yours. A place to reflect and remember, to help you in your bereavement and beyond.

When Carly passed away in Farleigh Hospice in December 2016 at just 40 years of age, after being diagnosed with a brain tumour in 2004, her mother Loraine created an Everlasting Tribute in her memory.

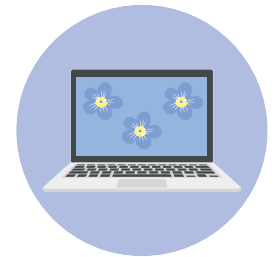

Loraine said "When my daughter passed away I thought it would be nice for her family and friends to post a message on the Everlasting Tribute site, with the opportunity to give a donation, light a candle, or post their thoughts and messages.

"It was wonderful to see all the comments and memories from Carly's friends, and in the future I will look back at the tribute and perhaps add some more memories. At the moment it's a bit too soon, but I know that whenever I want to go back and look, or if we do anything in memory of Carly in the future, it's always there for us to add to or reflect on."
